

QuickBooks Online Conversion Instructions

Small Business / Freelancer / Advanced

Introduction

As Sunflower Bank and Pioneer Bank completes the system conversion to Business Banking Direct, QuickBooks Online settings will need to be updated to ensure transition of your data. This information is time-sensitive. To complete these instructions, use your **login credentials** for online banking.

It is important that you perform the following instructions exactly as described and in the order presented. This conversion should take 15–30 minutes.

Documentation and Procedures

Conversion – Information only

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

IMPORTANT: QuickBooks Online connectivity services may be interrupted up to 5 business days after the conversion is complete.
