NEW! MY FINANCES

A financial tool that turns your transaction data into usable information for you. View spending for all your financial accounts, as well as create, track, and manage your budgets and much more.

You can add the financial institutions you do business with, and **My Finances** will gather the information from accounts and transactions automatically, and all in one place. Your transaction history will be updated once daily.

TO ENROLL IN MY FINANCES

1. Log into the Personal Mobile Banking App
2. Select “My Finances”
3. Re-enter your log in credentials for the Personal Mobile Banking App
4. Once logged in, your accounts are synced
5. You may then add external accounts and begin tracking your finances

Profile is where you access personal options such as contact information, Email Address, User ID, Password, and more.

Settings is where you set up Biometric Authentication, Account Alerts, Fast Balances and more.

Always be sure to **Log Out** when your session is complete.
